[illegible]

Zestawienie pomieszczeń - Łącznik - parter		
Numer	Nazwa	Powierzchnia
Ł1	Łącznik	109.70 m²
Suma ogólna:: 1		109.70 m²

The diagram shows three blocks labeled A, B, and C. Block A is on the left, block B is on the right, and block C is positioned above block A. A red vertical string connects block A to block B, passing over a pulley (represented by a small circle) at the top of block C. The string is attached to the bottom of block A and the top of block B.
